

Friday 15th June 2018

Dear Parents and Carers,

REMINDER OF EARLY CLOSURES

School Closes at 1pm on Friday 6th July 2018

We are again running our four-day induction week for our New Year 7s that will culminate in a BBQ for the new children and their families on the Friday afternoon. In order for this welcome event to take place, we shall again be closing school early for all students in Years 7 to 10 at 1:00pm on Friday 6th July. Students will be dismissed as normal at 1:00pm, but we will of course look after any child who needs to stay on our site until 3:30pm. If you would like us to take care of your child until that time then please contact the relevant Head of Year. Normal dining room services will operate on that day.

School Closes at 1pm on Friday 20th July 2018

The final day of the summer term is of course on Friday 20th July and we shall be dismissing all students after the final whole school assembly at 1:00pm to begin their summer holiday. Unfortunately, we are unable to supervise students on this afternoon. Normal dining room services will again operate on that day.

GCSE and A-level Examinations

All Year 11 GCSE examinations are now complete. Physics was our last examination this morning. There are many very tired Year 11 students who can enjoy some rest and a sunny summer before those results are published in August. The Year 11 Graduation Assembly takes place next Friday 22nd June and their Prom will take place on Wednesday 4th July. A-level examinations are still taking place but the final examination is Maths, next Friday. We wish every one of those students every success and praise them for how hard they have worked this summer. There are many more examination papers than ever and the physical demands on students are sometimes equal to the intellectual demands of those examinations.

Year 10 students will be taking their GCSE Statistics examination on Thursday 21st June and we not only wish them well but expect them to be putting in the hours between now and then to ensure they achieve or exceed their target grades.

Yours sincerely,

Barry Doherty
Headteacher
