

EL/td/03122020

3rd December 2020

Dear Parents and Carers of Year 10 students,

Unfortunately, due to staffing levels, we are unable to operate at full capacity in school today or tomorrow. I have therefore taken the decision to ask Year 10 to study from home for these two days. I apologise sincerely for the short notice.

In the event you do not have a safe option for your child to study from home, we can accommodate a small number of students in school so please email enquiries@colmers.school or ring Main Reception on 0121 453 1778 and send your child in to school as needed.

Work will be set for all classes on Class Charts. If your child does not have access to a laptop or internet, please contact Main Reception and we will endeavour to support with a device as needed.

Thank you for your continued support during the significant challenges of the pandemic.

Yours sincerely

Ms E Leaman
Headteacher
