

June 7th 2019

Dear Parents and Carers of Year 11,

Thank you so much for your tremendous support during the GCSE Examination Marathon. Students have worked so hard and we are delighted by their efforts to prepare so well for the examinations.

It has become clear this week just how exhausted many students feel, maintaining their attendance in school and coping with the full programme of examinations. While continuing to attend between examinations is working really well for some of our students, others are requesting that they feel they would benefit from studying at home when not in exams.

We have taken the decision that from Monday June 10th, **students are only required to attend for exam booster sessions and their examinations.**

The option is of course available for your child to be based in school for the full school day if that is their preference. We will not be running the lesson based timetable but will provide a base for pupils to revise in a supported manner to help them prepare effectively for their examinations.

Pupils will be required to sign in and out at pupil services at all times other than arriving for their examinations. They are also required to wear full school uniform and comply with school rules throughout the remainder of the examination period.

The programme of exam booster sessions next week is as follows.

- Monday 10th June 11.30 Maths Booster Session - Line up outside Learning Hub**
- Monday 10th June 12.30 Chemistry Booster session - Line up outside Learning Hub**
- Wednesday 12th June 11.30 Geography Booster session - Line up outside Learning Hub**
- Thursday 13th June 11.30 Physics Booster session - Line up outside Learning Hub**
- Friday 14th June Film Studies Booster session - Compulsory as leading into exam**

The remaining examinations are as follows.

- Monday 10th June 9.00 Food & Nutrition**
- Monday 10th June 9.00 Film Studies**
- Tuesday 11th June 9.00 Maths Paper 3**
- Tuesday 11th June 13.00 History Paper 3**
- Wednesday 12th June 9.00 Chemistry Paper 2**
- Thursday 13th June 9.00 Geography Paper 3**
- Friday 14th June Physics Paper 2**
- Friday 14th June 13.30 Film Studies Paper 2**

If you have any concerns or queries about these arrangements, please do not hesitate to contact Mr Bennett to discuss.

Warm regards

Emma Leaman
