4th February 2020

Dear Parents and Carers

Please be aware that there was an incident last night (Mon 3rd Feb) at 3:30pm down the lanes at the back of Colmers.

An unknown adult was riding down the lanes and saw a group of teenagers, not belonging Colmers, heading towards him. The cyclist produced what witnesses describe as a knife and chased after the teenagers. No Colmers pupil was involved but several who witnessed the event were understandably shaken. We have advised pupils to avoid taking the lanes where possible.

We have contacted the police and they are investigating, and we have requested a police presence at the end of the day.

Yours sincerely

Emma Leaman
