

27th November 2017

Dear parents and carers,

Target Setting Day: Thursday 30th November 10am – 7pm

We are now only a few days away from our first Target Setting Day. We already have over 750 appointments booked with form tutors and over 350 families signed up to the different workshops that are on offer. However, we are still aware that there are significant numbers that have yet to book a time.

We have had one or two messages explaining that parents or carers are unable to attend on that day. In those circumstances, we still expect your child to come in for an appointment. In that meeting, we will support your child in setting targets for the next academic year. We will communicate these to you later in the term.

Many of you have taken up the opportunity to sample the food that is available in the canteen. Just to clarify, if your child is in receipt of free school meals, then they are still able to use this on Thursday.

We look forward to seeing you all on Thursday.

Yours sincerely

Steve Morris
Deputy Headteacher and Head of Middle School
