PART ONE: SAFEGUARDING POLICY

1. INTRODUCTION

1.1 Safeguarding is defined as –

- Protecting children from maltreatment;
- Preventing impairment of children’s health or development;
- Ensuring that children are growing up in circumstances consistent with the provision of safe and effective care; and
- Taking action to enable all children to have the best life chances.

1.2 Colmers School and Sixth Form College is committed to safeguarding and promoting the welfare of all its pupils/students. We believe that:

- All children/young people have the right to be protected from harm;
- Children/young people need to be safe and to feel safe in school;
- Children/young people need support which matches their individual needs, including those who may have experienced abuse;
- All children/young people have the right to speak freely and voice their values and beliefs;
- All children/young people must be encouraged to respect each other’s values and support each other;
- All children/young people have the right to be supported to meet their emotional, and social needs as well as their educational needs – a happy healthy sociable child/young person will achieve better educationally;
- Schools can and do contribute to the prevention of abuse, victimisation, bullying, exploitation, extreme behaviours, discriminatory views and risk taking behaviours; and
- All staff and visitors have an important role to play in safeguarding children and protecting them from abuse.

1.3 Colmers School and Sixth Form College will fulfil their local and national responsibilities as laid out in the following documents:-

- **Working Together to Safeguard Children** (DfE 2015)
- **Keeping Children Safe in Education**: Statutory guidance for schools and colleges (DfE July 2015)
- **The Procedures of Birmingham Safeguarding Children Board**
- **The Education Act 2002 s175 / s157**
- **Mental Health and Behaviour in Schools: Departmental Advice** (DfE 2014)
2. OVERALL AIMS

2.1 This policy will contribute to safeguarding our pupils/students and promoting their welfare by:

- Clarifying standards of behaviour for staff and pupils/students;
- Contributing to the establishment of a safe, resilient and robust ethos in the school, built on mutual respect, and shared values;
- Introducing appropriate work within the curriculum;
- Encouraging pupils/students and parents to participate;
- Alerting staff to the signs and indicators that all might not be well;
- Developing staff awareness of the causes of abuse;
- Developing staff's awareness of the risks and vulnerabilities their pupils/students face;
- Addressing concerns at the earliest possible stage; and
- Reducing the potential risks pupils/students face of being exposed to violence, extremism, exploitation, or victimisation.

2.2 This policy will contribute to supporting our pupils/students by:

- Identifying and protecting the most vulnerable;
- Identifying individual needs where possible; and
- Designing plans to meet those needs.

2.3 This policy will contribute to the protection of our pupils/students by:

- Including appropriate work within the curriculum;
- Implementing child protection policies and procedures; and
- Working in partnership with pupils/students, parents and agencies.

3. KEY PRINCIPLES

3.1 These are the key principles of safeguarding, as stated by Birmingham Safeguarding Children Board:

- Always see the child first.
- Never do nothing.
- Do with, not to, others.
- Do the simple things better.
- Have conversations, build relationships.
- Outcomes not outputs.

3.2 In addition the Board has identified the following key safeguarding messages for schools:

- Every child is entitled to a rich and rounded curriculum.
- Schools operate with public money: this should be spent wisely, targeting resources on the evidenced needs of children at school now. Assurance and audit are important aspects of this.
Governance is corporate and decisions are collective, but individual governors can and should take the lead on specific aspects of school life such as safeguarding.

When issues arise, Head teachers should speak out, addressing them internally where possible and escalating them when this is unsuccessful.

4. **KEY PROCESSES**

4.1 All staff should be aware of the guidance issued by Birmingham Safeguarding Children Board in *Right Services Right Time*, and *Early Help* and further information available from Birmingham Safeguarding Children Board through [http://www.lscbbirmingham.org.uk/](http://www.lscbbirmingham.org.uk/).

5. **EXPECTATIONS AND STAFF TRAINING**

5.1 **Expectations**

All staff and visitors will:

- Be familiar with this safeguarding policy (visitors provided with information on signing in);
- Be subject to Safer Recruitment processes and checks, whether they are new staff, supply staff, contractors, volunteers etc.
- Be involved in the implementation of individual education programmes, integrated support plans, child in need plans and interagency child protection plans;
- Be alert to signs and indicators of possible abuse (See Appendix One for current definitions and indicators);
- Report the concern via the school’s electronic reporting system “MyConcern” and this will be picked up and managed by the DSL/Safeguarding Team.
- Deal with a disclosure of abuse from a child in line with the guidance in Appendix Two - you must inform the Designated Safeguarding Lead (or the Deputy DSL) immediately, and provide a written account as soon as possible
- Staff will be aware and act within the guidance in the staff code of conduct.

5.2 **Staff training**

When staff join the school they will be informed of the school’s Safeguarding and Child Protection policy, the names of the DSLs and the procedures for reporting a disclosure or a concern. They will be referred to the safeguarding area on the portal and MyConcern.

Staff INSET in September will include clear, safeguarding information in relation to policy, procedures and reinforce to staff their continued
responsibilities to support the child’s individual welfare needs following the reported concern and during any subsequent intervention.

All staff will also be provided with a Safeguarding guide in leaflet form of all the main important points to remember and reminder of their responsibilities and school’s expectations.

Staff will also be expected to complete a follow up questionnaire to ensure that they are meeting the new statutory guidelines of both reading, and showing an understanding of, ‘Keeping Children Safe in Education’ Dfe document and the schools subsequent safeguarding procedures.

Staff will be informed that if they disagree with the decision made by the DSL they have a responsibility to question this with the DSL, if not satisfied with the response, to raise this with the Head teacher.

All staff are encouraged to talk to the school’s DSL about individual concerns but also about any general Safeguarding concerns and to ask any questions.

DSLs, once they have completed the initial 2 day “Safeguarding Training for Designated Senior Persons”, will also receive ½ day refresher course every 2 Years or such training as agreed by the Governing Body and advised by the Local Safeguarding Children Board.

6. THE DESIGNATED SAFEGUARDING LEAD

6.1 Our Designated Safeguarding Lead on the senior leadership team is Mr Martin Brookes. He has lead responsibility and management oversight and accountability for child protection and, with the Head Teacher, will be responsible for coordinating all child protection activity.

6.2 The Designated Safeguarding Lead and/or the Deputy DSL will lead regular case monitoring reviews of vulnerable children. These reviews will be evidenced on MyConcern software.

6.3 When the school has concerns about a child, the Designated Safeguarding Lead will decide what steps should be taken and should advise the Head Teacher.

6.4 Child protection information will be dealt with in a confidential manner. Staff will be informed of relevant details only when the Designated Safeguarding Lead feels their having knowledge of a situation will improve their ability to deal with an individual child and / or family. A written record will be made of what information has been shared with whom, and when and kept on MyConcern.

6.5 Child protection records will be stored securely in a central place separate from academic records. Individual files will be kept for each child: the school will not keep family files. Files will be kept for at least the period during which the child is attending the school, and beyond that in line with current data legislation and guidance.
6.6 Access to these records by staff other than by the Designated Safeguarding Lead and the Deputy DSL will be restricted.

6.7 Parents will be aware of information held on their children and kept up to date regarding any concerns or developments by the appropriate members of staff. General communications with parents will be in line with any home school policies and give due regard to which adults have parental responsibility.

6.8 **Do not disclose to a parent any information held on a child if this would put the child at risk of significant harm.**

6.9 If a pupil/student moves from our school, child protection records will be forwarded on to the Designated Safeguarding Lead at the new school, with due regard to their confidential nature and in line with current government guidance on the transfer of such records. Direct contact between the two schools may be necessary. We will record where and to whom the records have been passed and the date using the formal transfer of records document.

6.10 If sending by post, pupil records will be sent by “Special/Recorded Delivery”. For audit purposes a note of all pupil records transferred or received should be kept in either paper or electronic format. This will include the child’s name, date of birth, where and to whom the records have been sent and the date sent and/or received.

6.11 If a pupil/student is permanently excluded and moves to a Pupil Referral Unit, child protection records will be forwarded on to the relevant organisation.

6.12 Where a vulnerable young person is moving to a Further Education establishment, consideration should be given to the student’s wishes and feelings on their child protection information being passed on in order that the FE establishment can provide appropriate support.

6.13 When a Designated Safeguarding Lead resigns their post or no longer has child protection responsibility, there should be a full face to face handover/exchange of information with the new post holder.

6.14 In exceptional circumstances when a face to face handover is unfeasible, the Head Teacher will ensure that the new post holder is fully conversant with all procedures and case files.

7. **THE GOVERNING BODY**
7.1 The Governing Body are the accountable body for ensuring the safety of the school

7.2 The governing body will ensure that:

- The school has a safeguarding policy in accordance with the procedures of Birmingham Safeguarding Children Board;
- The school operates, “safer recruitment” procedures and ensures that appropriate checks are carried out on all new staff and relevant volunteers;
- At least one senior member of the school’s leadership team acts as a Designated Safeguarding Lead;
- The Designated Safeguarding Lead attends appropriate refresher training every two years;
- The Head Teacher and all other staff who work with children undertake training at two yearly intervals;
- Temporary staff and volunteers are made aware of the school’s arrangements for child protection and their responsibilities;
- The school remedies any deficiencies or weaknesses brought to its attention without delay; and
- The school has procedures for dealing with allegations of abuse against staff/volunteers.

7.3 The governing body reviews its policies/procedures annually

7.4 The Nominated Governor for child protection at the school is Mr Dan Phelps. The Nominated Governor is responsible for liaising with the Head Teacher and Designated Safeguarding Lead over all matters regarding child protection issues. The role is strategic rather than operational – they will not be involved in concerns about individual pupils/students. The Nominated Governor will chair meetings, at least once per term, of the Safeguarding Committee.

7.5 The Nominated Governor will liaise with the Head Teacher and the Designated Safeguarding Lead to produce an annual report for governors and the local authority (s175/s157).

7.6 The Chair of the governing body is nominated to be responsible for liaising with the local authority and other partner agencies in the event of allegations of abuse being made against the Head Teacher.

8. A SAFER SCHOOL CULTURE

Safer Recruitment and Selection

8.1 The school pays full regard to ‘Keeping Children Safe in Education’ (DfES 2015). Safer recruitment practice includes scrutinising applicants, verifying identity and academic or vocational qualifications, obtaining professional and character references, checking previous employment history and ensuring that a candidate has the health and
physical capacity for the job. It also includes undertaking interviews and undertaking appropriate checks through the Disclosure and Barring Service (DBS).

8.2 All recruitment materials will include reference to the school’s commitment to safeguarding and promoting the wellbeing of pupils.

8.3 A number of staff including the Head teacher, Deputies and senior Associate staff have undertaken CWDC/NCSL Safer Recruitment training. One of the above will be involved in all staff / volunteer recruitment processes and sit on the recruitment panel.

Staff support
8.4 We recognise the stressful and traumatic nature of child protection work. We will support staff by providing an opportunity to talk through their anxieties with the Designated Safeguarding Lead and to seek further support as appropriate. Support is also provided to the DSL and Deputy DSL by their team working, access to support from the Head teacher and Adolescent Mental Health Worker.

Data collection
8.5 We recognise that to support and care for young people we need to have accurate information about pupils. All staff will work to ensure that we hold current details including addresses, contact details and information about other family circumstances including pupils who are, looked after children, young carers or in private fostering. The school acknowledges its duties in relation to the Data Protection Act 1998, the common law duty to safeguard the welfare of children and provisions relating to disclosure of information about pupils.

9. OUR ROLE IN THE PREVENTION OF ABUSE

9.1 We will provide opportunities for pupils/students to develop skills, concepts, attitudes and knowledge that promote their safety and well-being.

The curriculum
9.2 Relevant issues will be addressed through the PSHE curriculum, for example self-esteem, emotional literacy, assertiveness, power, sex and relationship education, e-safety and bullying.

9.3 Relevant issues will be addressed through other areas of the curriculum, for example, Learning for Life, English, Geography, RE, PE, History, Drama, Art.
**Other areas of work**

9.4 All our policies which address issues of power and potential harm, for example bullying, equal opportunities, medical, behaviour for learning, health and safety, will be linked to ensure a whole school approach.

9.5 Our safeguarding policy cannot be separated from the general ethos of the school, which should ensure that pupils/students are treated with respect and dignity, taught to treat each other with respect, feel safe, have a voice, and are listened to. This is embedded within our ABC: Achieving Excellence, Belonging Together and Challenging Mind-sets.

10. **SAFEGUARDING PUPILS/STUDENTS WHO ARE VULNERABLE TO EXTREMISM (including gangs and youth violence)**

10.1 Since 2010, when the Government published the Prevent Strategy, there has been an awareness of the specific need to safeguard children, young people and families from violent extremism (See Prevent duty policy). There have been several occasions both locally and nationally in which extremist groups have attempted to radicalise vulnerable children and young people to hold extreme views including views justifying political, religious, sexist or racist violence, or to steer them into a rigid and narrow ideology that is intolerant of diversity and leaves them vulnerable to future radicalisation.

10.2 Colmers School and Sixth Form College values freedom of speech and the expression of beliefs / ideology as fundamental rights underpinning our society’s values. Both pupils/students and teachers have the right to speak freely and voice their opinions. However, freedom comes with responsibility and free speech that is designed to manipulate the vulnerable or that leads to violence and harm of others goes against the moral principles in which freedom of speech is valued. Free speech is not an unqualified privilege; it is subject to laws and policies governing equality, human rights, community safety and community cohesion. This is captured within our rights and responsibilities document.

10.3 The current threat from terrorism in the United Kingdom may include the exploitation of vulnerable people, to involve them in terrorism or in activity in support of terrorism. The normalisation of extreme views may also make children and young people vulnerable to future manipulation and exploitation. Colmers School and Sixth Form College is clear that this exploitation and radicalisation should be viewed as a safeguarding concern.

10.4 Definitions of radicalisation and extremism, and indicators of vulnerability to radicalisation are in Appendix Four.

10.5 Colmers School and Sixth Form College seeks to protect children and young people against the messages of all violent extremism including, but not restricted to, those linked to Islamist ideology, or to Far Right /
Safeguarding Policy September 2017

Neo Nazi / White Supremacist ideology, Irish Nationalist and Loyalist paramilitary groups, and extremist Animal Rights movements.

**Risk reduction**

10.6 The school governors, the Head Teacher and the Designated Safeguarding Lead will assess the level of risk within the school and put actions in place to reduce that risk. Risk assessment may include consideration of the school's RE curriculum, SEND policy, assembly policy, the use of school premises by external agencies, integration of pupils by gender and SEN, anti-bullying policy and other issues specific to the school's profile, community and philosophy.

10.7 This risk assessment will be reviewed as part of the annual s175 return that is monitored by the local authority and the local safeguarding children board.

**Response**

10.8 Our school, like all others, is required to identify a Prevent Single Point of Contact (SPOC) who will be the lead within the organisation for safeguarding in relation to protecting individuals from radicalisation and involvement in terrorism: this will normally be the Designated Safeguarding Lead. The SPOC for Colmers School and Sixth Form College is Mr Martin Brookes. The responsibilities of the SPOC are described in Appendix Five.

10.9 When any member of staff has concerns that a pupil may be at risk of radicalisation or involvement in terrorism, they should speak with Mr Martin Brookes.

10.10 Numerous factors can contribute to and influence the range of behaviours that are defined as violent extremism, but most young people do not become involved in extremist action. For this reason the appropriate interventions in any particular case may not have any specific connection to the threat of radicalisation, for example they may address mental health, relationship or drug/alcohol issues.

**SAFEGUARDING PUPILS/STUDENTS WHO ARE VULNERABLE TO EXPLOITATION, FORCED MARRIAGE, FEMALE GENITAL MUTILATION, OR TRAFFICKING**

11.1 Our safeguarding policy above, and the school’s values, ethos and behaviour policies, provide the basic platform to ensure children and young people are given the support to respect themselves and others, stand up for themselves and protect each other.

11.2 Our school keeps itself up to date on the latest advice and guidance provided to assist in addressing specific vulnerabilities and forms of exploitation.
Colmers Safeguarding Policy September 2017

11.3 Our staff are supported to recognise warning signs and symptoms in relation to specific issues, and include such issues in an age appropriate way in their curriculum.

11.4 Our school works with and engages our families and communities to talk about such issues.

11.5 Our staff are supported to talk to families about sensitive concerns in relation to their children and to find ways to address them together wherever possible.

11.6 Our Designated Safeguarding Lead knows where to seek and get advice as necessary.

11.7 Our school brings in experts and uses specialist material to support the work we do.

12. WHAT WE DO WHEN WE ARE CONCERNED

12.1 Where risk factors are present but there is no evidence of a particular risk then our DSL /SPOC advises us on preventative work that can be done within school to engage the pupil into mainstream activities and social groups. The DSL may well be the person who talks to and has conversations with the pupil/student's family, sharing the school’s concern about the young person’s vulnerability and how the family and school can work together to reduce the risk.

12.2 In this situation, depending on how worried we are and what we agree with the parent and the young person (as far as possible) –

- The DSL/SPOC can decide to notify the Multi-Agency Safeguarding Hub (MASH) of the decision so that a strategic overview can be maintained and any themes or common factors can be recognised; and
- The school will review the situation after taking appropriate action to address the concerns.

12.3 The DSL/SPOC will also offer and seek advice about undertaking an early help assessment such as the family Common Assessment Framework (fCAF) and/or making a referral to children's social care. The local family support and safeguarding hub can assist us.

12.4 If the concerns about the pupil/student are significant and meet the additional needs/complex need criteria, they will be referred to the MASH. This includes concerns about a child/young person who is affected by the behaviour of a parent or other adult in their household.
13. LINKS TO OTHER POLICIES AND AREAS OF SCHOOL LIFE

Physical Intervention
Staff at this school are aware that they must only ever use physical intervention to prevent injury to a pupil, member of staff or where the pupil is putting themselves or others at risk of harm and that at all times it must be the minimal restraint necessary to prevent injury or damage to property.

Abuse of Trust
We recognise that as adults working in the school, we are in a relationship of trust with the pupils in our care and acknowledge that it is a criminal offence to abuse that trust.

NO RELATIONSHIP OTHER THAN PROFESSIONAL IS ACCEPTABLE WHILST IN A POSITION OF TRUST

We recognise that the legislation is intended to protect young people in education who are over the age of consent but under 18 years of age.

Bullying & Racism
Our policy on bullying & racism is set out in a separate policy and acknowledges that to allow or condone bullying or racism may lead to consideration under safeguarding children procedures, in addition to appropriate discipline procedures.

E-safety
Our policy recognises that internet safety is a whole school responsibility (staff, pupils, parents). Children and young people may expose themselves to danger, whether knowingly or unknowingly, when using the internet and other technologies. Additionally, some young people may find themselves involved in activities which are inappropriate or possibly illegal.

We therefore recognise our responsibility to educate our pupils, teaching them the appropriate behaviours and critical thinking skills to enable them to remain both safe and legal when using the internet and related technologies.

Health & Safety
Our Health & Safety policy, set out in a separate document, reflects the consideration we give to the safeguarding of our children both within the school environment and when away from the school when undertaking school trips and visits.

Other Relevant Policies
The Governing Body’s legal responsibility for safeguarding the welfare of children goes beyond basic Child Protection procedures, ensuring that safeguarding permeates all activities and functions. This policy therefore compliments and supports a range of other policies, for instance:

➢ Disciplinary Procedures
➢ Code of Conduct
➢ Complaints Procedure
➢ Behaviour Management
Colmers Safeguarding Policy September 2017

➢ Bullying & Anti-Social Behaviour
➢ Trips and Visits
➢ Work experience and extended work placements
➢ Medical Policy
➢ Sex Education Policy
➢ Equal Opportunities
➢ E-safety
➢ Attendance Policy

The above list is not exhaustive but when undertaking development or planning of any kind the school will always need to consider Safeguarding matters.
PART TWO – THE KEY PROCEDURES

RESPONDING TO CONCERNS ABOUT A CHILD

**Cause for concern**
Record the reasons for concern.
Speak to Designated Safeguarding Lead.

**Discussion**
Concerned party
Designated Safeguarding Lead
Head Teacher / Principal
Discuss with child and with parents
unless to do so would put the child at risk.
Consider need in relation to Right Services Right Time.

**Seek advice. (universal plus)**
Talk to the local Family Support and Safeguarding Hub about attending a TAF.

**Seek advice (additional needs)**
Multi-Agency Safeguarding Hub (MASH)
Tel: 0121 303 1888.
LADO Team
Tel: 0121 675 1669

**Referral (complex needs)**
to MASH by Head Teacher or Designated Safeguarding Lead.

**Assessment**
by Children’s Social Care.

**No further action.**
Reasons given to Designated Safeguarding Lead.

**Further concerns identified**
Child leaves the school – information passed on to next Designated Safeguarding Lead.

**Decision about TAF or school plan, action and monitoring agreed.**

**Enquiries under child protection procedures.**
13. INVOLVING PARENTS / CARERS

13.1 In general, we will discuss any child protection concerns with parents / carers before approaching other agencies, and will seek their consent to making a referral to another agency. Appropriate staff will approach parents / carers after consultation with the Designated Safeguarding Lead. However there may be occasions when the school will contact another agency before informing parents/carers because it considers that contacting them may increase the risk of significant harm to the child.

13.2 Parents / carers will be informed about our safeguarding policy through: Year 6 induction evening and welcome to Colmers evening, school prospectus, website, newsletter, parent leaflet, signposting in pupil services.

14. MULTI-AGENCY WORK

14.1 We work in partnership with other agencies in the best interests of the children. The school will, where necessary, liaise with the school nurse and doctor, and make referrals to children’s social care. Referrals should be made by the Designated Safeguarding Lead to the Multi-Agency Safeguarding Hub (0121 303 1888). Where the child already has a safeguarding social worker, the request for service should go immediately to the social worker involved, or in their absence to their team manager.

14.2 We will co-operate with any child protection enquiries conducted by children’s social care: the school will ensure representation at appropriate inter-agency meetings such as Family Plan meetings initial and review child protection conferences, and core group meetings.

14.3 We will provide reports as required for these meetings. If the school is unable to attend, a written report will be sent. The report will, wherever possible, be shared with parents / carers at least 24 hours prior to the meeting.

14.4 Where a pupil/student is subject to an inter-agency child protection plan or a multi-agency risk assessment conference (MARAC) meeting, the school will contribute to the preparation, implementation and review of the plan as appropriate.

15. OUR ROLE IN SUPPORTING CHILDREN

15.1 We will offer appropriate support to individual children who have experienced abuse or who have abused others.
15.2 An individual support plan will be agreed with the relevant agencies, implemented and reviewed regularly for these children. This plan will detail areas of support, who will be involved, and the child’s wishes and feelings. A written outline of the individual support plan will be kept in the child’s child protection record on MyConcern.

15.3 Children and young people who abuse others will be responded to in a way that meets their needs as well as protecting others within the school community through a multi-agency risk assessment. We will ensure that the needs of children and young people who abuse others will be considered separately from the needs of their victims.

15.4 We will ensure the school works in partnership with parents / carers and other agencies as appropriate.

16. RESPONDING TO AN ALLEGATION ABOUT A MEMBER OF STAFF
See also Birmingham Safeguarding Children Board Procedures on Allegations against Staff and Volunteers.

16.1 This procedure should be used in any case in which it is alleged that a member of staff, governor, visiting professional or volunteer has:

- Behaved in a way that has harmed a child or may have harmed a child;
- Possibly committed a criminal offence against or related to a child; or
- Behaved in a way that indicates s/he is unsuitable to work with children.

16.2 Although it is an uncomfortable thought, it needs to be acknowledged that there is the potential for staff in school to abuse children.

16.3 All staff working within our organisation must report any potential safeguarding concerns about an individual’s behaviour towards children and young people immediately. Allegations or concerns about colleagues and visitors must be reported direct to the Head Teacher unless the concern relates to Head Teacher. If the concern relates to the Head Teacher, it must be reported immediately to the Local Authority Designated Officer in children’s social care, who will liaise with the Chair of Governors and they will decide on any action required.

17. CHILDREN WITH ADDITIONAL NEEDS

17.1 Colmers School and Sixth Form College recognises that while all children have a right to be safe, some children may be more vulnerable to abuse, for example those with a disability or special educational need, those living with domestic violence or drug / alcohol abusing parents, etc.
17.2 When the school is considering excluding, either fixed term or permanently, a vulnerable pupil and / or a pupil/student who is the subject of a child protection plan or where there is an existing child protection file, we will call a multi-agency risk-assessment meeting prior to making the decision to exclude. In the event of a one-off serious incident resulting in an immediate decision to exclude, the risk assessment must be completed prior to convening a meeting of the Governing Body.

18. CHILDREN IN SPECIFIC CIRCUMSTANCES

18.1 Guidance on children in specific circumstances is in Birmingham Safeguarding Children Board’s procedures as listed below:

- Abuse Linked to Spiritual Belief
- Bullying
- Child Sexual Exploitation
- Children Affected by Gang Activity
- Children and Families that Go Missing
- Children Living away from Home
- Children Missing from Education

APPENDICES
DEFINITIONS AND INDICATORS OF ABUSE

1. NEGLECT

Neglect is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to:

- Provide adequate food, clothing and shelter (including exclusion from home or abandonment);
- Protect a child from physical and emotional harm or danger;
- Ensure adequate supervision (including the use of inadequate caregivers); or
- Ensure access to appropriate medical care or treatment.

It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

The following may be indicators of neglect (this is not designed to be used as a checklist):

- Constant hunger;
- Stealing, scavenging and/or hoarding food;
- Frequent tiredness or listlessness;
- Frequently dirty or unkempt;
- Often poorly or inappropriately clad for the weather;
- Poor school attendance or often late for school;
- Poor concentration;
- Affection or attention seeking behaviour;
- Illnesses or injuries that are left untreated;
- Failure to achieve developmental milestones, for example growth, weight;
- Failure to develop intellectually or socially;
- Responsibility for activity that is not age appropriate such as cooking, ironing, caring for siblings;
- The child is regularly not collected or received from school; or
- The child is left at home alone or with inappropriate carers

2. PHYSICAL ABUSE

Physical abuse may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.
The following may be indicators of physical abuse (this is not designed to be used as a checklist):

- Multiple bruises in clusters, or of uniform shape;
- Bruises that carry an imprint, such as a hand or a belt;
- Bite marks;
- Round burn marks;
- Multiple burn marks and burns on unusual areas of the body such as the back, shoulders or buttocks;
- An injury that is not consistent with the account given;
- Changing or different accounts of how an injury occurred;
- Bald patches;
- Symptoms of drug or alcohol intoxication or poisoning;
- Unaccountable covering of limbs, even in hot weather;
- Fear of going home or parents being contacted;
- Fear of medical help;
- Fear of changing for PE;
- Inexplicable fear of adults or over-compliance;
- Violence or aggression towards others including bullying; or
- Isolation from peers.

3. SEXUAL ABUSE

Sexual abuse involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet). Sexual abuse is not solely perpetrated by adult males. Women can also commit act of sexual abuse, as can other children.

The following may be indicators of sexual abuse (this is not designed to be used as a checklist):

- Sexually explicit play or behaviour or age-inappropriate knowledge;
- Anal or vaginal discharge, soreness or scratching;
- Reluctance to go home;
- Inability to concentrate, tiredness;
- Refusal to communicate;
- Thrush, persistent complaints of stomach disorders or pains;
- Eating disorders, for example anorexia nervosa and bulimia;
- Attention seeking behaviour, self-mutilation, substance abuse;
- Aggressive behaviour including sexual harassment or molestation;
- Unusual compliance;
• Regressive behaviour, enuresis, soiling;
• Frequent or open masturbation, touching others inappropriately;
• Depression, withdrawal, isolation from peer group;
• Reluctance to undress for PE or swimming; or
• Bruises or scratches in the genital area.

4. SEXUAL EXPLOITATION

Child sexual exploitation occurs when a child or young person, or another person, receives “something” (for example food, accommodation, drugs, alcohol, cigarettes, affection, gifts, money) as a result of the child/young person performing sexual activities, or another person performing sexual activities on the child/young person.

The presence of any significant indicator for sexual exploitation should trigger a referral to children’s social care. The significant indicators are:

• Having a relationship of concern with a controlling adult or young person (this may involve physical and/or emotional abuse and/or gang activity);
• Entering and/or leaving vehicles driven by unknown adults;
• Possessing unexplained amounts of money, expensive clothes or other items;
• Frequenting areas known for risky activities;
• Being groomed or abused via the Internet and mobile technology; and
• Having unexplained contact with hotels, taxi companies or fast food outlets.

5. EMOTIONAL ABUSE

Emotional abuse is the persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to children that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond the child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may also involve seeing or hearing the ill-treatment of another person. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment.
The following may be indicators of emotional abuse (this is not designed to be used as a checklist):

- The child consistently describes him/herself in very negative ways – as stupid, naughty, hopeless, ugly;
- Over-reaction to mistakes;
- Delayed physical, mental or emotional development;
- Sudden speech or sensory disorders;
- Inappropriate emotional responses, fantasies;
- Neurotic behaviour: rocking, banging head, regression, tics and twitches;
- Self-harming, drug or solvent abuse;
- Fear of parents being contacted;
- Running away;
- Compulsive stealing;
- Appetite disorders - anorexia nervosa, bulimia; or
- Soiling, smearing faeces, enuresis.

N.B.: Some situations where children stop communication suddenly (known as “traumatic mutism”) can indicate maltreatment.

**6. RESPONSES FROM PARENTS**

Research and experience indicates that the following responses from parents may suggest a cause for concern across all four categories:

- Delay in seeking treatment that is obviously needed;
- Unawareness or denial of any injury, pain or loss of function (for example, a fractured limb);
- Incompatible explanations offered, several different explanations or the child is said to have acted in a way that is inappropriate to her/his age and development;
- Reluctance to give information or failure to mention other known relevant injuries;
- Frequent presentation of minor injuries;
- A persistently negative attitude towards the child;
- Unrealistic expectations or constant complaints about the child;
- Alcohol misuse or other drug/substance misuse;
- Parents request removal of the child from home; or
- Violence between adults in the household.

**7. DISABLED CHILDREN**

When working with children with disabilities, practitioners need to be aware that additional possible indicators of abuse and/or neglect may also include:

- A bruise in a site that might not be of concern on an ambulant child such as the shin, might be of concern on a non-mobile child;
• Not getting enough help with feeding leading to malnourishment;
• Poor toileting arrangements;
• Lack of stimulation;
• Unjustified and/or excessive use of restraint;
• Rough handling, extreme behaviour modification such as deprivation of medication, food or clothing, disabling wheelchair batteries;
• Unwillingness to try to learn a child’s means of communication;
• Ill-fitting equipment, for example callipers, sleep boards, inappropriate splinting;
• Misappropriation of a child’s finances; or
• Inappropriate invasive procedures.
DEALING WITH A DISCLOSURE OF ABUSE

When a child tells me about abuse s/he has suffered, what must I remember?

- Stay calm.
- Do not communicate shock, anger or embarrassment.
- Reassure the child. Tell her/him you are pleased that s/he is speaking to you.
- Never enter into a pact of secrecy with the child. Assure her/him that you will try to help but let the child know that you will have to tell other people in order to do this. State who this will be and why.
- Tell her/him that you believe them. Children very rarely lie about abuse; but s/he may have tried to tell others and not been heard or believed.
- Tell the child that it is not her/his fault.
- Encourage the child to talk but do not ask "leading questions" or press for information.
- Listen and remember.
- Check that you have understood correctly what the child is trying to tell you.
- Praise the child for telling you. Communicate that s/he has a right to be safe and protected.
- Do not tell the child that what s/he experienced is dirty, naughty or bad.
- It is inappropriate to make any comments about the alleged offender.
- Be aware that the child may retract what s/he has told you. It is essential to record all you have heard.
- At the end of the conversation, tell the child again who you are going to tell and why that person or those people need to know.
- As soon as you can afterwards, make a detailed record of the conversation using the child's own language. Include any questions you may have asked. Do not add any opinions or interpretations.

NB It is not education staff’s role to seek disclosures. Their role is to observe that something may be wrong, ask about it, listen, be available and try to make time to talk.

Immediately afterwards
You must not deal with this yourself. Clear indications or disclosure of abuse must be reported to children’s social care without delay, by the Head Teacher or the Designated Safeguarding Lead.

Children making a disclosure may do so with difficulty, having chosen carefully to whom they will speak. Listening to and supporting a child/young person who has been abused can be traumatic for the adults involved. Support for you will be available from your Designated Safeguarding Lead or Head Teacher.
ALLEGATIONS ABOUT A MEMBER OF STAFF, GOVERNOR OR VOLUNTEER

In the first instance please refer to the Whistleblowing policy

1. Inappropriate behaviour by staff/volunteers could take the following forms:

- **Physical**
  For example the intentional use of force as a punishment, slapping, use of objects to hit with, throwing objects or rough physical handling.

- **Emotional**
  For example intimidation, belittling, scapegoating, sarcasm, lack of respect for children’s rights, and attitudes that discriminate on the grounds of race, gender, disability or sexuality.

- **Sexual**
  For example sexualised behaviour towards pupils, sexual harassment, sexual assault and rape.

- **Neglect**
  For example failing to act to protect a child or children, failing to seek medical attention or failure to carry out an appropriate risk assessment.

2. If a child makes an allegation about a member of staff, governor, visitor or volunteer the Head Teacher should be informed immediately. The Head Teacher should carry out an urgent initial consideration in order to establish whether there is substance to the allegation. The Head Teacher should not carry out the investigation him/herself or interview pupils.

3. The Head Teacher must exercise, and be accountable for, their professional judgement on the action to be taken, as follows –

- If the actions of the member of staff, and the consequences of the actions, raise credible child protection concerns the Head Teacher will notify the Local Authority Designated Officer (LADO) Team (Tel: 0121 675 1669). The LADO Team will liaise with the Chair of Governors and advise about action to be taken, and may initiate internal referrals within children’s social care to address the needs of children likely to have been affected.

- If the actions of the member of staff, and the consequences of the actions, do not raise credible child protection concerns, but do raise other issues in relation to the conduct of the member of staff or the pupil(s), these should be addressed through the school’s own internal procedures.

- If the Head Teacher decides that the allegation is without foundation and no further formal action is necessary, all those
involved should be informed of this conclusion, and the reasons for the decision should be recorded on the child protection file.

4. Where an allegation has been made against the Head Teacher, then the Chair of the Governing Body takes on the role of liaising with the LADO team in determining the appropriate way forward. For details of this specific procedure see the Section on Allegations against Staff and Volunteers in the procedures of Birmingham Safeguarding Children Board.
APPENDIX FOUR

INDICATORS OF VULNERABILITY TO RADICALISATION

In the first instance please refer to the Prevent duty policy

1. Radicalisation refers to the process by which a person comes to support terrorism and forms of extremism leading to terrorism.

2. Extremism is defined by the Government in the Prevent Strategy as:
   Vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of different faiths and beliefs. We also include in our definition of extremism calls for the death of members of our armed forces, whether in this country or overseas.

3. Extremism is defined by the Crown Prosecution Service as:
   The demonstration of unacceptable behaviour by using any means or medium to express views which:
   - Encourage, justify or glorify terrorist violence in furtherance of particular beliefs;
   - Seek to provoke others to terrorist acts;
   - Encourage other serious criminal activity or seek to provoke others to serious criminal acts; or
   - Foster hatred which might lead to inter-community violence in the UK.

4. There is no such thing as a “typical extremist”: those who become involved in extremist actions come from a range of backgrounds and experiences, and most individuals, even those who hold radical views, do not become involved in violent extremist activity.

5. Pupils may become susceptible to radicalisation through a range of social, personal and environmental factors - it is known that violent extremists exploit vulnerabilities in individuals to drive a wedge between them and their families and communities. It is vital that school staff are able to recognise those vulnerabilities.

6. Indicators of vulnerability include:
   - Identity Crisis – the student / pupil is distanced from their cultural / religious heritage and experiences discomfort about their place in society;
   - Personal Crisis – the student / pupil may be experiencing family tensions; a sense of isolation; and low self-esteem; they may have dissociated from their existing friendship group and become involved with a new and different group of friends; they may be searching for answers to questions about identity, faith and belonging;
• Personal Circumstances – migration; local community tensions; and events affecting the student / pupil’s country or region of origin may contribute to a sense of grievance that is triggered by personal experience of racism or discrimination or aspects of Government policy;
• Unmet Aspirations – the student / pupil may have perceptions of injustice; a feeling of failure; rejection of civic life;
• Experiences of Criminality – which may include involvement with criminal groups, imprisonment, and poor resettlement / reintegration;
• Special Educational Need – students / pupils may experience difficulties with social interaction, empathy with others, understanding the consequences of their actions and awareness of the motivations of others.

7. However, this list is not exhaustive, nor does it mean that all young people experiencing the above are at risk of radicalisation for the purposes of violent extremism.

8. More critical risk factors could include:

• Being in contact with extremist recruiters;
• Accessing violent extremist websites, especially those with a social networking element;
• Possessing or accessing violent extremist literature;
• Using extremist narratives and a global ideology to explain personal disadvantage;
• Justifying the use of violence to solve societal issues;
• Joining or seeking to join extremist organisations; and
• Significant changes to appearance and / or behaviour;
• Experiencing a high level of social isolation resulting in issues of identity crisis and / or personal crisis.
APPENDIX FIVE

PREVENTING VIOLENT EXTREMISM -
ROLES AND RESPONSIBILITIES OF THE SINGLE POINT OF CONTACT (SPOC)

The SPOC for Colmers School and Sixth Form College Mr Martin Brookes who is responsible for:

- Ensuring that staff of the school are aware that you are the SPOC in relation to protecting students/pupils from radicalisation and involvement in terrorism;
- Maintaining and applying a good understanding of the relevant guidance in relation to preventing students/pupils from becoming involved in terrorism, and protecting them from radicalisation by those who support terrorism or forms of extremism which lead to terrorism;
- Raising awareness about the role and responsibilities of Colmers School and Sixth Form College in relation to protecting students/pupils from radicalisation and involvement in terrorism;
- Monitoring the effect in practice of the school’s RE curriculum and assembly policy to ensure that they are used to promote community cohesion and tolerance of different faiths and beliefs;
- Raising awareness within the school about the safeguarding processes relating to protecting students/pupils from radicalisation and involvement in terrorism;
- Acting as the first point of contact within the school for case discussions relating to students/pupils who may be at risk of radicalisation or involved in terrorism;
- Collating relevant information from in relation to referrals of vulnerable students/pupils into the Channel* process;
- Attending Channel* meetings as necessary and carrying out any actions as agreed;
- Reporting progress on actions to the Channel* Co-ordinator; and
- Sharing any relevant additional information in a timely manner.

* Channel is a multi-agency approach to provide support to individuals who are at risk of being drawn into terrorist related activity. It is led by the West Midlands Police Counter-Terrorism Unit, and it aims to
  - Establish an effective multi-agency referral and intervention process to identify vulnerable individuals;
  - Safeguard individuals who might be vulnerable to being radicalised, so that they are not at risk of being drawn into terrorist-related activity; and
  - Provide early intervention to protect and divert people away from the risks they face and reduce vulnerability.
