

13th September 2017

Dear Parents and Carers,

We have now completed a whole week in our newly formed Lower School and what a success it's been! I have been very impressed with how our pupils have been arriving to school on time and looking superb in their uniforms.

It may only be early September but it is most definitely feeling very Autumnal. As the evenings begin to get darker it is important that we issue a few reminders about walking to and from school. We understand that a school child, from another school, was approached recently by unknown adults claiming to know her family. She wisely ignored their requests to get into their car and instead made her way home swiftly and reported the incident without delay.

Whilst these types of incidents are incredibly rare, we encourage you to talk to you children about the importance of getting home quickly, walking with friends and not engaging in any way with strangers. Should your child be approached by someone they must report it as soon as possible. I shall also be talking about this with Lower School in my next assembly.

Remember that either Mr Doherty, Mr Morris or I will be on the school gate every morning from 8.15am, and at the end of the day, should you wish to talk to us about this or anything else you may want to discuss.

Yours sincerely,

Mrs E. Wilks
Deputy Headteacher and Head of Lower School

HEADTEACHER
Mr Barry Doherty
